my video

Description

The screenshot shows a web editor interface. At the top, there is a text input field labeled "NAME YOUR LINK". Below it, a "Name" field contains the text "my video". A "Description" field is also present. The main part of the interface is a rich text editor toolbar. The "Mashups" dropdown menu is open, showing a list of options: "Flickr Photo", "SlideShare Presentation", "YouTube Video", "Vimeo Video", and "NUVision Media Library". The "NUVision Media Library" option is highlighted. Two blue arrows point from a text box to the "Mashups" dropdown and the "NUVision Media Library" option. At the bottom of the editor, there is a "Path:" field and a "Words:0" counter.

Drop down the mashup menu on the editor and select **Helix Media Library**

First time users need to identify what account type to create

https://blackboard.ncl.ac.uk/webapps/real-helixmedia-BBLEARN/helix/createMashup.jsp?courseId=\_45734\_1=\_1414266\_1 - Google Chrome
